## ***Please select type of membership***

### ***Professional Member   \$50***

Professional members are actively engaged in the profession of Interior Design or Interior Design education. Applicants for professional membership must meet one of the following groups of standards to be a Professional member of NDID:

- Four-year Bachelor's degree majoring in Interior Design plus 2 years full time practice under a Professional Interior Designer and have passed NCIDQ.
- Four-year Bachelor's degree majoring in Interior Design plus 2 years full time practice under a Professional Interior Designer after degree achievement.
- Minimum of seven years experience with two or four years of post-secondary education and 3 years minimum full time residential kitchen/bath design for a combined total of 7 years total experience and have passed the CKD/CBD.
- Architects that hold a four-year degree in Interior Design having two years full time practice under a Professional Interior Designer. (See 1/4/07 meeting minutes)

### ***Allied Member   \$50***

Allied members are actively engaged in the profession of Interior Design. Applicants for this membership level are working towards the education requirements of the NCIDQ, CKD/CBD exam or equivalent.

- Four-year Bachelor's degree majoring in Interior Design with less than 2 years full time practice under a Professional Interior Designer after degree achievement.
- Two-year Associate in Applied Science degree majoring in Interior Design plus 4-years full time practice under a Professional Interior Designer.
- Architects that hold less than a four-year degree in Interior Design having two years full time practice under a Professional Interior Designer.

### ***Associate Member   \$50***

Members are actively engaged in a field of expertise that is directly related to the Interior Design industry (lighting designers or, landscape architects, architects or Interior Designers not currently practicing, etc.) Please provide business card.

### ***Student Member   \$25***

Student membership is available to those that are majoring in Interior Design at an accredited school and are currently enrolled full time in either their 2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> year of Interior Design courses.

### ***Industry Partner Membership   \$100***

Industry Partner Membership is available to manufacturers, suppliers and field representatives who support the profession of Interior Design. These members are those who wish to network with designers and keep them informed of new product developments that affect the design profession.

Membership may be paid by *PayPal* or by check. If you do not have *PayPal* account and would like to set one, we will be able to help.

Please note that once your profile has been complete, you will be sent an email to verify that you are receiving emails from the website and that your account has been set up so you can enjoy all the benefits NDID has to offer!
